

# ZIP-FRONT VEST

The Zip-Front vest (AVZ) provides overt protection with a design that is easy to put on and take off. This design is favoured by police officers because of its ease of use and practicality combined with a smart and less aggressive appearance. Model AVZ is available in separate Male & Female versions.

The outer cover is manufactured from a tough nylon fabric which is available in a range of colours. The inside face of the cover is made from a spacer fabric which promotes ventilation and natural cooling. The cover can be supplied with radio loops and various pockets. The cover is adjustable at the shoulders and waist in order to accommodate variations in user sizing.

## Options

- Badge or logo.
- Choice of colour.

## Dimensions

- The vest in size Large has a protective area of 0.29m<sup>2</sup>.
